## **# ON STRIKE FOR PALESTINE #**

USA / ISRAEL / UK / EU

**STOP ALL HOSTILITIES ON PALESTINE / LEBANON / YEMIN / SYRIA / IRAN  
DO NOTHING, AND / OR BUY NOTHING FOR PEACE!**

The governments of the world will always ignore the people's natural opposition to war, simply because they can. The only real power that people have is to refuse to comply. Anyone who does anything "within the system" is actually supporting it and allowing the war machine to continue. So, to start with, we will need 3 days of continuous non-action for a Monday to Wednesday SHUTDOWN, starting at 00.00 midnight on the Sunday.

### **# STRIKE DATES #**

**Every Monday - Wednesday ongoing...Leading to a  
GENERAL STRIKE (date to be announced)**

**NO SHOPPING! - BUY NOTHING!** pre-plan for provisions you may need: food, baby and elderly needs, also any medical supplies. Don't forget pets.

**NO LABOUR!** - only emergency workers and essential workers carry on, the rest of us shutdown.
